THE C.I.P. PURPOSE

Another ***major impact event*** is NOW being developed and once again, this community-wide outreach ministry will bring together scores of individuals of various church-denominational backgrounds, talents, skills, careers and walks of life in a large-scale, musical and dramatic presentation. Through this undertaking of music and the performing arts, funds will be raised and channeled through **Cooperative Christian Ministry**, currently active in practical, humanitarian efforts to help those in need within **our own “backyard”**. IF YOU ARE INTERESTED and would like to volunteer to be a part of this Christian-faith-based outreach ministry, *please make a commitment today*. Some of the areas of involvement to consider are: **choir, solos, drama, dance, corporate sponsor development, material resources, carpentry, public relations, advertising, graphics, multi-media, back-stage, computer, staging, art, sewing, costuming, make-up, evangelistic outreach, general helps, running errands, clerical, personal donations and more**. PLAN NOW TO BE A PART OF THIS *NEW ENDEAVOR* to **impact** people through God’s love within you! **SHARE OUR VISION!!!**
